About this financial services guide

This Financial Services Guide (FSG) has been prepared by DUAL Australia Pty Ltd ABN 16 107 553 257; AFSL 280193 (DUAL, we, us or our).

This FSG describes the services we provide and explains our relationship with the insurers of certain insurance products we deal in. These products are:

- Corporate Travel Insurance
- Group Personal Accident Insurance
- Individual Personal Accident and Sickness Insurance
- Medical Expenses Insurance
- Journey Personal Accident Insurance
- Sports Group Personal Accident Insurance
- Voluntary Workers Personal Accident Insurance

This FSG explains how we are remunerated for our financial services in respect of these insurance products, our professional indemnity insurance, how we handle any complaints you may have and describes your rights as our valued client. We give this FSG to you when you ask us to provide an insurance product.

Other Disclosure Documents

If you decide to acquire the insurance, you will be given a Product Disclosure Statement (**PDS**) before or at the time we issue the insurance to you. The PDS is designed to assist you to make informed choices about your insurance needs. It gives a summary of the insurance benefits along with, including general information about, the insurance as well as a policy wording (that sets out the specific terms, conditions and exclusions of the cover provided).

Our services

We can assist you to obtain insurance as listed above. To do so, you must appoint a licensed insurance broker to act on your behalf, we do not offer these products directly to policyholders.

We hold an Australian Financial Services Licence (**AFSL**). Our AFSL no. is 280193. We are authorised to issue general insurance products and provide general financial product advice on general insurance products for retail and wholesale clients.

We are not authorised to provide personal advice and cannot advise on your individual objectives, financial needs or situation. When we provide these financial services, we are acting exclusively as agent for certain underwriters at Lloyd's of London (**underwriters**). We are not acting on your behalf when we provide these financial services to you.

If you are interested in the insurance we offer, upon receipt of a proposal form for submission, we will provide your broker with a product disclosure statement and quotation, describing the main features of the policy, along with the policy wording and any associated endorsements. Reading these will help you to decide if the policy suits your needs, objectives and financial situation. For further information on whether a product is suitable for you, please refer to our Target Market Determinations (**TMD**), which is available on our website via the following [link](#).

| | |
|-----------------------|---|
| Commission | We receive a commission from the insurer when we arrange your insurance. This commission varies depending upon the product and is included in the premium quoted to you. |
| Administration Fee | We may also charge you a fee for arranging the insurance. The amount depends upon the type and/or the complexity of insurance we arrange. |
| Profit Share | At the end of the financial year, we may receive a profit share commission from the relevant Lloyd's of London syndicates, depending on the performance and profitability of all of the insurance placed with the syndicates by all associated entities of DUAL internationally. Profit share is not payable in every year we generally only receive it in years when the portfolio has a good claims experience. |
| Non-monetary benefits | We have a policy on non-monetary benefits which allows our staff to receive benefits such as business-related gifts and corporate entertainment up to a prescribed amount. If this amount is reached, then the benefit must be referred to the managing director who will decide whether it is appropriate for the staff member to receive this gift and whether it will place them in a position of conflict. If the gift is not appropriate or will place the staff member in a position of conflict, the staff member may not be permitted to accept the gift. |
