

# Financial hardship support policy

DUAL Australia (DUAL) is committed to taking extra care with customers experiencing Financial Hardship. This Policy and our practices around customer's experiencing vulnerability reflect this commitment.

DUAL staff are trained to identify customers that are experiencing financial hardship and may need extra support. That being said, DUAL encourages all customers to tell us if you are experiencing Financial Hardship – otherwise we may not find out about your circumstances and needs. Any information that you disclose to us will be treated confidentially and in line with our Privacy Policy.

## What support options are available if you are experiencing Financial Hardship?

If Financial Hardship support is provided, DUAL will work with you or your representative to implement an arrangement that could include:

- Delaying the date of payment(s)
- Paying in reasonable instalments
- Paying a reduced lump sum amount
- Delaying one or more instalment payments
- Deducting the excess from a claim amount

DUAL will also adhere to the timeframes under the [General Insurance Code of Practice](#) (2020) (Code) to ensure that assistance is offered in a timely manner.

In accordance with clause 108 of the Code, please note that the support that DUAL provides does not include support in paying the premiums we have issued under an insurance policy.
