## What is a Product Disclosure Statement (PDS)?

The purpose of this PDS is to help **you and insured persons** understand the cover offered under this **policy** and provide **you** with sufficient information to enable **you** to make an informed decision about whether to purchase this **policy**. This PDS contains important information required under the *Corporations Act 2001* (Cth) about the **policy** including the **benefits** and conditions, **your** rights as a client and other things **you** need to know in order to make an informed decision.

**You** should read the **policy wording** section in this document and the **schedule** of this insurance, to obtain a complete description of all the **benefits**, terms, conditions and exclusions relating to the cover offered under this insurance. Please read these documents carefully and ensure that **you** keep them in a safe place for future reference.

Certain words in this PDS and **policy wording** have special meanings that are set out in the definitions sections contained within this **policy wording**.

## General Information

Any information contained within the **policy wording**, PDS or accompanying documents is general in nature only. **You** should read the information contained in this PDS carefully before taking out this insurance. For details about the terms and conditions of the insurance, read the **policy wording** following this PDS.

## Journey Personal Accident Insurance

This insurance provides for the payment of **benefits** if an **insured person** dies, becomes disabled or suffers an **injury**. Please read the **policy wording** carefully to make sure that **you** understand its provisions. If **you** require any information, please contact **us** or **your** insurance broker. All cover is subject to the payment of premium and the terms, conditions, exclusions and provisions of the **policy** described in the **policy wording**.

## Summary of the Main Features and Benefits of the Policy

The **policy** has a number of **benefits**. Some of the significant **policy benefits** are listed below. For full details of all the **benefits** and limits of the **policy** **you** should read **your policy schedule** carefully. It outlines the sums insured, and the coverage sections and tables of **insured events** contained within the **policy wording** attached to this PDS.

Some of the significant **benefits** of the **policy** may include:

- a. lump sum **benefits** as a result of **accidental death** or **injury**;
- b. lump sum **benefits** as a result of **disablement**;
- c. loss of income **benefits** as a result of **injury**;
- d. lump sum **benefits** for dental benefits; and/or
- e. lump sum **benefits** for **fractured** bones.

Please refer to the **policy wording** for details of **benefits** and conditions that apply.

In addition to the above main **benefits**, this **policy** also entitles **insured persons** to a number of additional **benefits**, which are described in more detail in the **policy wording**.

## Limitations on the Benefits Paid

There are limitations as to how much **we** will pay for claims. The maximum amount **we** will pay for all claims under this **policy** during any one (1) **insurance period** is the **aggregate limit of liability** shown in the **policy schedule**.

There is also a **sublimit of liability** shown in the **policy schedule** which is the maximum amount **we** pay in relation to claims relating to **non scheduled flights**.

Specific age-related limits also apply to the **policy**. No **benefits** are payable under this **policy** for any **insured person** or any person on or over the age of sixty-six (66) years.

## Not Everything is Covered

Not everything is covered by the **policy**. Some of the circumstances in which no **benefits** are payable at all include where loss results from self-inflicted injury, illegal acts, the use of alcohol or drugs, **war** or **civil war**, participation in an aerial activity except as an fare paying passenger on an airline with scheduled flights, participating in or training for a professional sport, racing, time trials or practice for such an event of any form other than on foot, pregnancy or childbirth, nuclear activity, not being under the **regular care** or acting in accordance with the treatment, instructions or advice of a **doctor**, or a **pre-existing condition**.

There are also limitations on some **benefits**. It is important to read the **policy wording** together with the **schedule** so that **you** understand the extent of the cover and its limitations. **You** should specifically read the General Conditions, General Provisions and General Exclusions in the **policy wording** to make sure the cover **we** provide matches **your** expectations. Some **insured events** relating to **temporary partial disablement** or **temporary total disablement** are subject to an **excess period**. This means that **you** and **insured persons** cannot make a claim for **benefits** in relation to **insured events** that occur during the **excess period** stated in the **policy schedule**. Please refer to the **policy wording** and **policy schedule** for more information.

## The Cost of the Insurance Policy and Paying your Premium

**We** will provide the cover described in the **policy wording**, subject to its terms and conditions, for the **insurance period**.

The cover under the **policy** commences from the date and time shown on **your schedule** for the **insurance period**. The cost of the **policy** is the total premium including taxes and charges due as detailed on the **schedule**. It is calculated prior to the commencement of the **insurance period** based on the information **you** supply in **your** application form and the insurer's assessment of the risk. The cost of insurance is shown on **your** quote and includes taxes and statutory charges (such as stamp duty and GST).

Each year thereafter and prior to the **policy** anniversary, if **we** offer **you** terms to renew the **policy**, **we** will advise **you** of the premium for the new policy year. A premium adjustment may be charged by **us** for variations or endorsements to the **policy** that **you** request mid-policy year and **we** agree to provide.

The premium is calculated based on the specific risk profile which may include:

- a. the sums insured;
- b. claims history;
- c. any restrictions or extensions to the **policy** cover; and
- d. previous insurance history.

**We** may increase or decrease **your** premium from the renewal date, but **we** will advise **you** when we propose to do this.

## Non Payment of Premium

**You** must pay **your** premium within the agreed credit terms otherwise **your policy** may not be in force. If **you** do not pay **your** premium on time by the due date or **your** payment is dishonoured this **policy** will not come into force and **we** may:

- a. cancel the **policy**; and/or
- b. decline any claim under the **policy**.

## How to Apply for this Insurance

To apply for the **policy** **you** will need to complete a proposal form available from a licensed insurance broker. They will then approach **us** to provide **you** with a quotation.

## Your Duty of Disclosure

This **policy** is a consumer insurance contract.

Before entering into this insurance, **you** have a duty to take reasonable care not to make a misrepresentation to **us**. **You** and other **insured person(s)** must answer questions **we** ask at the time of application with relevant and complete information and **you** must not misrepresent any information that **you** give to **us**.

**You** have the same duty in relation to anyone else whom **you** want to be covered by the **policy**. **You** also have this same duty before **you** renew, extend, vary or reinstate this **policy**.

If **you** fail to comply with **your** duty, and **we** would not have issued the **policy** for the same premium and on the same terms and conditions, **we** may be entitled to reduce **our** liability under the **policy** in respect of any claim or **we** may cancel the **policy**. If **your** failure to comply with **your** duty is fraudulent, **we** may refuse to pay a claim and treat the **policy** as never having been in existence.

## Cancelling Your Policy

This **policy** may be cancelled by **you** at any time by giving **us** notice in writing via email or post.. Should **you** cancel **your policy**, **we** will retain a pro rata proportion of the premium or **our** usual short term premium whichever is the greater for the time the **policy** has been in force and **we** will pay any premium refund due to **you** within fifteen (15) business days. If **you** purchased the **policy** through an insurance broker ask **your** broker what arrangements apply. **You** will not receive any refund if **you** have made a claim or a claim is forthcoming against the **policy** prior to cancellation.

**We** may cancel this **policy** in the circumstances prescribed by Section 60 of the *Insurance Contracts Act 1984* (Cth).

# Your Cooling Off Period

**You** have the right to return the **policy** to **us** within twenty one (21) days from the date the **insurance period** commences (cooling-off period) unless a claim is made under the **policy** within this period.

If **you** return the **policy** during the cooling-off period, **we** will refund the full amount of the premium less any taxes or duties payable to **you** within fifteen (15) business days of receipt of **your** request. If **you** purchased the **policy** through an insurance broker ask **your** broker what arrangements apply. The **policy** will be terminated from the date **we** are notified of a request to return it. To return the **policy**, **we** must be notified in writing within the cooling off period via email or post..

This can be done by contacting **us** using the contact details found at the back of this PDS, or **your** insurance broker.

**You** still have the right to cancel this **policy** after the cooling-off period ends. See the Cancelling Your Policy section above.

**We** shall not be liable to pay any **benefits** under the **policy** in excess of the **aggregate limit of liability**. ## 6. Co-operation

**You** or any **insured person** will frankly and honestly provide **us** with all information and assistance required by **us** and/or **our** representatives appointed by **us** in relation to any claim or loss. If **we** pay a **benefit** under the **policy** to an **insured person**, then, to the extent the **insured person** may have a cause of action for loss or damage against any third party in respect of the facts, matters and circumstances which gave to the **benefit** being paid under the **policy**, then **we** have a right of subrogation and repayment including any claim for interest by way of an action which may be brought in the name of **you** and/or the **insured person** against such third party.

**You** and/or any **insured person** must not do anything that reduces such rights, and must provide **us** with all reasonable assistance in pursuing such rights. If **you** or any **insured person** have agreed to not seek compensation from another source that is liable to pay compensation in regards to a **benefit** payable under the **policy**, **we** will not cover **you** or any **insured person** under this **policy** for that **loss**, damage or liability.

If **you** and/or any **insured person** brings a claim for loss or damage in **your** or their own name against a third party in respect of the facts, matters and circumstances which gives rise to the **benefit** being paid under the **policy**, then **you** or any **insured person** must include in **your** or their claim any payments which may be recoverable from the third party including a claim for interest (recoverable payments). Should **you** or any **insured person** recover damages against the third party either by way of settlement or judgment then **you** or any **insured person** must repay to **us** out of any such damages the recoverable payments which the **insured** received under this **policy**. **We** will provide reasonable cooperation to **you** or any **insured person** and their legal advisors in bringing any such action.

## 8. Other Insurance

In the event of a claim **you** or an **insured person** must inform **us** of any other insurance **you** or the **insured person** may have covering the same risk.

No subscribing underwriter is responsible for the subscription of any co-subscribing underwriter who, for any reason, does not satisfy all or part of its obligations.

## 10. Territorial Limits

The territorial limit is Australia wide except where otherwise limited in the **policy**.
