

Proposal Form: Commercial

IMPORTANT NOTICES

Please read the following before proceeding to complete this proposal form

When completing your proposal, you are obliged to report and provide full details of all circumstances which have become known to you and which would put a reasonable person in your position on notice that a Claim may be made against you. This is important to ensure that you make proper disclosure in order that your entitlement to full indemnity under your new policy is not placed in jeopardy.

Your Duty of Disclosure

Before you enter into a contract of Commercial General Liability insurance with an Insurer, you have a duty to disclose to the Insurer every matter that you know, or could reasonably be expected to know about yourself and others to be insured, is relevant to the Insurer's decision whether to accept the risk of the insurance and, if so, upon what terms. You have the same duty to disclose those matters to the Insurer before you renew, extend, vary or reinstate a contract of Commercial General Liability insurance.

Your duty however, does not require disclosure of matter:

- that diminishes the risk to be undertaken by the Insurer;
- that is of common knowledge;
- that your Insurer knows or, in the ordinary course of his business, ought to know;
- as to which compliance with your duty is waived by their Insurer.

(It should be noted that this duty continues after the Proposal Form has been completed up until the time the Policy is entered into.)

Non-Disclosure

If you fail to comply with your duty of disclosure, the Insurer may be entitled to reduce their liability under the contract in respect of a Claim or may cancel the contract. If your non-disclosure is fraudulent, the Insurer may also have the option of avoiding the contract in its entirety. It is therefore vital that you make sufficient enquiries BEFORE you complete your Proposal Form and BEFORE you sign any declaration that there has been no change in the information provided.

Surrender or Waiver of any Right of Contribution or Indemnity

Where another person or company would be liable to compensate you or hold you harmless for part or all of any loss or damage otherwise covered by the Policy, but you have agreed with that person either before or after the inception of the Policy that you would not seek to recover any loss or damage from that person, you are NOT covered under the Policy for any such loss or damage.

Contract by the Insured Affecting Rights of Subrogation

If the proposed contract of insurance includes a provision which excludes or limits the Insurer's liability in respect of any loss because you are a party to an agreement which excludes or limits your rights to recover damages from a third party in respect of that loss, you are hereby notified that signing any such agreement may place your indemnity under the proposed contract of insurance at risk.

When Completing this Proposal Form

- Please answer all questions honestly, giving full and complete answers.
- It is the duty of the Applicant to provide all information that is requested in the Proposal Form as well as to add any additional relevant facts.

Note: A relevant fact is a fact and/or circumstance that may influence the evaluation of the risk by the insurer. If you have any doubts about what a relevant fact is, please do not hesitate to contact your broker.

- If the space provided on the Proposal Form is insufficient, please use a separate signed and dated sheet in order to provide a complete answer to the question.
- The Proposal Form must be completed, signed and dated by a person, who must be of legal capacity and authorised for the purpose of requesting Commercial General Liability insurance for the organisation who acts as the Applicant.

This proposal form DOES NOT BIND the Applicant or the Insurer to complete the insurance but will form part of any insurance.
