

Proposal Form

IMPORTANT NOTICES

Please read the following before proceeding to complete this proposal form

Important Notice Relating to this Proposal

Your Directors & Officers Insurance Policy is issued on a CLAIMS MADE basis.

This means that this Policy responds to Claims first made against you during the policy period and notified to the Insurer during that policy period, providing that you were not aware at any time prior to the Policy inception of circumstances which would have put a reasonable person in your position on notice that a Claim may be made against you.

When the Policy expires, no new notification generally can be made on the expired policy even though the event giving rise to a Claim against you may have occurred during the policy period. You will not be entitled to indemnity under your new Policy in respect of any Claim arising out of circumstances of which you were aware at any time prior to policy inception which would have put a reasonable person in your position on notice that a Claim may be made against you. When completing your proposal you are obliged to report and provide full details of all circumstances which have become known to you and which would put a reasonable person in your position on notice that a Claim may be made against you. This is important to ensure that you make proper disclosure in order that your entitlement to full indemnity under your new policy is not placed in jeopardy.

Your Duty of Disclosure

Before you enter into a contract of general insurance with an Insurer, you have a duty to disclose to the Insurer every matter that you know, or could reasonably be expected to know about yourself and others to be insured, is relevant to the Insurer's decision whether to accept the risk of the insurance and, if so, upon what terms. You have the same duty to disclose those matters to the Insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however, does not require disclosure of matter:

- that diminishes the risk to be undertaken by the Insurer;
- that is of common knowledge;
- that your Insurer knows or, in the ordinary course of his business, ought to know;
- as to which compliance with your duty is waived by their Insurer.

(It should be noted that this duty continues after the Proposal Form has been completed up until the time the Policy is entered into.)

Non-Disclosure

If you fail to comply with your duty of disclosure, the Insurer may be entitled to reduce their liability under the contract in respect of a Claim or may cancel the contract. If your non-disclosure is fraudulent, the Insurer may also have the option of avoiding the contract from its beginning. It is therefore vital that you make sufficient enquiries BEFORE you complete your Proposal Form and BEFORE you sign any declaration that there has been no change in the information proposed.

If you fail to comply with your duty of disclosure, we may be entitled to avoid the contract altogether, and so decline to pay any claim.

Jurisdiction

Except to the extent otherwise provided in any subsequently issued Policy, the content and use of this form and any agreement entered into pursuant to this form or any dealing in relation to or arising from this are governed by the laws of New Zealand and in relation to those matters, the parties submit to the jurisdiction of the courts of New Zealand.

Surrender or Waiver of any Right of Contribution or Indemnity

Where another person or company would be liable to compensate you or hold you harmless for part or all or any loss or damage otherwise covered by the Policy, but you have agreed with that person either before or after the inception of the Policy that you would not seek to recover any loss or damage from that person, you are NOT covered under the Policy for any such loss or damage.

Notice of Circumstances or Events

If during the period of this policy, the Insured becomes aware of any Circumstances which may give rise to a Claim under the policy and gives written notice to the Insurer of such Circumstances, any Claim which may be subsequently made arising out of the Circumstances of which notification has been given shall be deemed to be a Claim made during the period of this policy whenever such Claim may actually be made.

Contract by the Insured Affecting Rights of Subrogation

If the proposed contract of insurance includes a provision which excludes or limits the Insurer's liability in respect of any loss because you are a party to an agreement which excludes or limits your rights to recover damages from a third party in respect of that loss, you are hereby notified that signing any such agreement may place your indemnity under the proposed contract of insurance at risk.
