

MANAGEMENT LIABILITY CHANGES TO COVER

We believe Management Liability should be easy to deliver and understand which is why we've released our 11.20 v2 version in plain language with a simplified layout. Please note the clause numbers and titles have changed.

Management Liability Wording	V11.17	V11.20 v2	Comments
This Changes to Cover Comparison looks at the key improvements to our Management Liability Gold and Platinum Products, including coverage and sub-limits. Note that the below ML Gold sub-limits are based on a purchased indemnity limit of \$1M. If you have purchased a \$100,000 or \$250,000 indemnity limit , then that indemnity limit is the maximum amount we will pay for loss under the policy .			For example, if you have purchased a \$250,000 indemnity limit on ML Gold, the maximum amount we will pay for loss under Insuring Clause 2.2(d) Crime is \$250,000. See the General Conditions in Section 8 of the policy for further information.
