What is Liability Cover?

General Liability (GL) Insurance provides cover where the Insured is legally liable to pay damages or compensation as a result of personal injury or property damage to a third party occurring in the course of the business.

Statutory Liability (SL) provides cover for defence and any fines awarded against the insured resulting from breaching legislation.

Employers Liability (EL) provides cover for the Insured for defending against claims brought by employees for personal injuries that are not covered by ACC, and for any exemplary damages for claims covered by ACC.
